

NUSYM 2017

7th international symposium on nuclear symmetry energy
SEPTEMBER 4TH - 7TH / GANIL, CAEN, FRANCE

Second announcement

Dear Colleagues,

We would like to remind you that the 7th **International Symposium on Nuclear Symmetry Energy (NuSYM17)** will be held on September 4-7, 2017 at GANIL, Caen, France.

The purpose of NuSYM17 consists of discussing advances in experimental and theoretical studies of the nuclear equation of state of asymmetric nuclear matter and relevant advances in astrophysics. An important role of the symposium is to unify efforts of the nuclear physics and astrophysics communities in addressing common research challenges.

The program will cover the current state of research and the anticipated development trends in various centers and facilities in the world. The symposium, while providing a convenient space and time for discussions of burning problems future directions, will also offer opportunities to build collaborations to advance in inter-related research fields.

NuSYM17 will cover the following topics:

- progress in experimental investigations of the nuclear EoS,
- status of theories of the nuclear reactions and of the asymmetric nuclear matter,
- influence of the symmetry term on the structure of objects and processes in the Femto and astro scales,
- correlations and clusterization in dense, normal and dilute nuclear matter,
- new facilities and instruments.

Invited speakers

Lie-Wen Chen	Shanghai Univ	China
Maria Colonna	INFN-Catane	Italy
Dan Cozma	IFIN-HH	Romania
Pawel Danielewicz	MSU	USA
Christoph Hartnack	Subatech-Nantes	France
Byungsik Hong	Korea University-Seoul	South Korea
Tadaaki Isobe	RIKEN	Japan
Che-Ming Ko	Texas A&M University	USA
Arnaud Le Fèvre	GSI	Germany
Yvonne Leifels	GSI	Germany
Jerzy Lukasik	INP-Krakow	Poland
Bill Lynch	MSU	USA
Olivier Lopez	LPC-Caen	France
Alan Mc Intosh	Texas A&M University	USA
Paolo Napolitani	IPN-Orsay	France
Akira Ono	Tohoku university	Japan

Registration

Registration deadline has been postponed up to August 11th 2017. Please register on the conference webpage: <https://nusym17.sciencesconf.org/>

The conference registration fee will be 120€, including coffee breaks, lunches and social dinner. There will be no fee for undergraduate students and PhD students and a charge of **50€** for accompanying person.

An excursion and guided visit of D-day landing beaches and Norman cider house are scheduled on Wednesday 6th September 2017 afternoon. The practical information and registration will be sent after the registration deadline.

Payment has to be made on the following link (**no later than August 28th 2017**):

Accommodation and travel

Information on lodging and travel is available on our website.

In order to get cheaper price for your hotel, please specify that you come for NUSYM.

Contact

We would appreciate if you could bring this Symposium to attention of your colleagues. Participation of young researchers is strongly encouraged.

You can contact us at the following address: NUSYM17@GANIL.fr

Please do not hesitate to contact us if you need an invitation letter for visa application.
